## 124 - "SACRED LAND"

**This is what was spoken by my great-grandfather at the house he made for us.... And these are the words that were given him by the Master of Life: *"At some time there shall come among you a stranger, speaking a language you do not understand. He will try to buy the land from you, but do not sell it; keep it for an inheritance to your children."***

***Assenewub, Red Lake Ojibwe***
