## 135 - "ON THE GREAT DIVIDE"

Long ago, at the time of the great famine, there was a Cherokee Clan called, *Ani' - Tsa' - guhi*. The Clan said, "Here we must work hard and have not always enough to eat. In the woods there is always plenty without work. We will go and live in the woods, so the other Clans will have enough to eat.

Thereafter they were called, Yanu, (Bears). In times of hunger the Cherokees are allowed to hunt them. They can go into the wilderness and call them with the *Bear Song*, and they will come.
