

"REMEMBER THE REMOVAL BIKE RIDE"

After approximately three weeks and 950 miles, the 2017 "Remember The Removal Bike Ride" cyclists formed bonds that will last a lifetime. After seeing sites such as New Echota in Georgia, Red Clay in Tennessee and mantle Rock in Kentucky and other locations where Cherokee traveled the Trail of Tears' northern route, they ended their journey on June 22, 2017 at the Cherokee Nation Courthouse Square.
