

Dragging Canoe was a great Cherokee War Chief of the 1700's. He defied the U.S. for over 50 years . . . and he predicted the Trail of Tears. "We had hoped that the white men would not be willing to travel beyond the mountains. Finally the whole country, which the Cherokees and their fathers have so long occupied; will be demanded, and the remnant of the Real People, once so great and formidable, will be compelled to seek refuge in some distant wilderness"
