BUSY SHOW SCHEDULE

I have been very busy since my last show getting ready for four shows in a row. Two of the shows, Red Earth and Eiteljorg restrict the selling of prints. Because of this restriction, I created a large number of paintings under \$100 to make up for the lost print sales.

I will be starting the four shows with over 50 paintings and sculptures under \$100, about the same amount for artwork priced from \$100 to \$500, and a few select paintings and sculptures for over \$500.

Artist finishing up some Ledger Style paintings before Red Earth.

2011 CHEROKEE HERITAGE CALENDAR

The 13th annual, 2011 Cherokee Heritage Calendars, featuring illustrations depicting Cherokee and Southeastern tribal culture and history will be available for sale starting with the Red Earth Festival. I am one of the featured artist again, and you can purchase the calendar from me at most shows, or by mail order. The cost is \$13.95 each, plus \$6.00 shipping.
