YOU DON'T KNOW WHAT YOU LOVE TILL YOU LOOSE IT

Sheron J. Mitchell 1946 - 2010

It is with a heavy heart I set down today to write this. Yesterday, September 28, 2010, I lost my wife unexpectedly to a heart attack. We were married December 7, 1979 and have had a wonderful 30 years together. I will truly miss my right hand, she was always there for me when I had a bad art show, got sick, and through all the other trials a 30 year marriage brings. We had many, many happy times together and I know we will all miss her.

Per her wishes, we will not have a funeral, but we will have a private family memorial for her.

I am sorry, I can't write anymore...

A loving husband...
